

HANSEL & GRETEL

HANSEL & GRETEL

> Education level

- Educación Infantil
- Primer Ciclo de Educación Primaria

So sweet you won't be able to stop yourself!

Cunning, perseverance and plenty of humour in an unforgettable experience with the most famous siblings of the Grimm universe. Two clever children who must learn to collaborate in order to make it through the most exciting adventure of this season. This will be the most interesting English lesson of the year and will leave an indelible memory. Sing and dance all of its fun songs and keep an eye out for the many surprises that await in a day out at the theatre that you will remember for a very long time.

> Perfect for...

The youngest children in school to enjoy an immersive English experience.

> Don't miss...

The fun moments of audience participation sprinkled throughout the story.

> Did you know?

In the original version of the fairy tale, the witch's house was made of gingerbread and candy, rather than chocolate, as it has come to be known nowadays.
