## Do you fancy a stimulating cup of tea and a big dose of "British Humour"?

Elegant, charming and very witty. Eliza Doolittle is ready to show you that, with the right touch, a simple florist can become a true "lady". Don't miss out on this Broadway classic inspired by the great George Bernard Shaw, which will transport your students to Edwardian England, in the most fascinating English lesson of this year.

## > Perfect for...

Working on content from the English syllabus based on one of the best-known classics, and getting to know the work of Bernard Shaw.

## > Don't miss...

The incredible transformation of Elizabeth Doolittle.

## > Did you know?

The most famous adaptation of this original work is the Broadway musical My Fair Lady, starring a then-unknown Julie Andrews. Later, for the cinema adaptation, Audrey Hepburn was chosen to interpret the main role, for which she was nominated for an Oscar, and competed against Julie Andrews who had been nominated for her role in Mary Poppins and eventually won the award. Ah the twists of fate!
