SCENE 1

(Some music is heard, the curtain opens. We see a puppet workshop full of wooden toys. GEPPETTO enters to the scene carrying a wooden trunk and he placed on a chair. GEPPETTO is tired.)

Geppetto: *(Looking at his puppets.)* Hello, my little friends. I'm here.

(He puts his coat and hat on a chair.)

Geppetto: Look, look what I found in the woods, eh? A nice piece of wood.

(Grabbing the sleeve of his coat, greeting him as if it were a person.)

Geppetto: Hello my new friend, how are you?

(GEPPETTO goes to sit down on another chair, putting the piece of wood in front of it, but he falls onto the floor.)

Geppetto: Auuuu!

(We can hear a child giggle.)

Geppetto: What? Who is laughing?

(We hear the laughter again and GEPPETTO realizes that it was the tree trunk.)

Geppetto: Oh! It's you! My new friend. I see!!! You like to play like a child. Mmmmm, let me see. Yes! You will be a child!

Geppetto puts the wood inside a box and starts working with it. There is some music while Geppetto is working. Geppetto makes a wooden puppet.

(Looking inside the box.) Oh! Perfect! Now, the strings. *(GEPPETTO puts the strings on the puppet.)* Perfect! You're ready. Come and meet your new friends.

(GEPPETTO picks up the puppet strings and the actor comes out of the box acting like a puppet. GEPPETTO introduces PINOCCHIO to his other puppets.)

Geppetto: Look! This is my workshop, and these are my friends. This is Pichu. Carlo and Mou. And this is...a...a...mmmmm. Pinocchio! Do you like it?

(PINOCCHIO laughs.)

Geppetto: I think you like it...Pinocchio will be your name. My friends, this is Pinocchio.

(GEPETTO yawns.)

Geppetto: *(Yawning.)* Aaaaaaa! I am very tired. Today I have worked hard. Time to go to sleep.

(GEPETTO sits PINOCCHIO on a chair.)

Geppetto: Good night my friends. Goodnight Pinocchio. *(GEPETTO strokes PINOCCHIO and he laughs.)* Thank you Pinocchio, you're a good boy. If you were a real child you could really help me, and I could teach you many things. If you were a real boy. A real boy...real.

(Geppetto falls asleep.)

SCENE 2

(Lights down, we can heard a sweet melody. A Fairy Godmother, SOFIA, enters into the Geppetto's house looking for PINOCCHIO.)

Sofia: Oh! Very nice! You must be Pinocchio. *(Looking at GEPETTO.)* Good work, my old friend. This is your best work and I am going to give you a gift. Well, here we go Pinocchio. Come alive...alive...alive.

(SOFIA touches PINOCCHIO with her wand and he comes alive.)

Sofia: Hello Pinocchio.

Pinocchio: Hey!

Sofia: Pinocchio raise your hand. *(Pinocchio raises a hand.)* Good! Stretch one leg. Good! Shake your head. Ok and now stand up. Very good.

(PINOCCHIO laughs, and he starts moving in all directions, approaching the fireplace.)

Sofia: Beware! You should be careful with fire.

Pinocchio: Why?

Sofia: Because you are made of wood, you are a wooden boy.

Pinocchio: Well. I will be careful with fire.

Sofia: But you can play. Jump. And laugh.

Pinocchio: *(Laughs again.)*

Sofia: And help him. *(Pointing to Geppetto.)* Your best friend.

Pinocchio: Ok.

Sofia: Well Pinocchio. Just one more thing. Very important. You should always tell the truth.

(While SOFIA is speaking, PINOCCHIO takes a toy car from the table and puts it in his pocket.)

Sofia: Pinocchio. What do you have in your pocket?

Pinocchio: Nothing.

(The PINOCCHIO's nose begins growing.)

Pinocchio: Auuuuuuuuu. My nose. It's huge. Why?

Sofia: Because if you lie your nose will grow and grow.

Pinocchio: Oh. Mmm. Okay. I have a car in my pocket.

(The nose goes back to its natural size, but it hurts.)

Pinocchio: Auuuuuuuuu. My nose. My nose is normal now!!

Sofia: Yes, because you have told me the truth.
